Hurricane Florence Update

Moss Supply Company is going to have to limit our deliveries until Hurricane Florence makes Landfall and road travel is back to normal.

Charlotte, NC is one of the many locations in the southeast that evacuees are heading towards. This has caused grid-lock on the roads and will make it difficult to get loads out the remainder of this week.

We will update our customers on Friday morning, so you can plan on deliveries for next week. We will continue to manufacture as long as we can.

Thank you for your patience.
